

2018, Our Year!

It is a new academic year, a new beginning. On the 14th of January 2018, many new faces and smiles were welcomed by the Ghaazee family. Co-curricular activities and extra-curricular activities have already begun to shape the school.

With qualified coaches for volleyball, basketball, football and handball, interschool practices also have started. Moreover, national Quran competition auditions took place with almost 235 students evaluated by reputed judges. Also, the Student Leaders election was being held during the past 2 weeks. Vibrant coloured banners and posters of the campaign had filled up the school porch.

A lot of new students and teachers have joined Ghaazee School in the year 2018 and they shared their thoughts on our school.

"I have more friends in Ghaazee School than my previous school. I think the reason is my classmates are friendly and approachable. To sum up, the school has a very interactive atmosphere" – Fathimath Yala Ayaz, 9S1

"Ghaazee School is the best! Everyone is amiable and helpful. All the students are very good-natured and companionable. Responsiveness is what most like about the teachers. I can't wait to partake in all the diverse, extra and co-curricular activities the school offers" – Mohamed Firas Faisal, 7D

Saudh sir, who currently teaches Accounting for senior grades opinionated on the role of the students. He believes that Ghaazee School is filled with disciplined students and responsible senior leaders. Students are very devoted and determined towards academics and other activities.

"Overall, I find Ghaazee School's atmosphere a very educative environment." – Ismail Saudulla

Moosa sir, our Deputy Principal stated his view on how the results had a significant improvement on 5 subject pass percentage from 62% in 2016 to 70% in 2017.

"I strongly believe the students of Ghaazee School has shown a great sense of determination to achieve our target. The teacher's motivation led to a great success in 2017. I hope to see such determination in the future as well" – Moosa Adam (Deputy Principal).

We interviewed our principal about the school's future and smart school plan.

"I visualize an environment where my students have a high capability in interacting with the technological availabilities of our century in order to establish a modern, conducive learning environment. Therefore, it's my plan to provide all the classes with the comfort of multimedia systems. It's my pleasure to announce that, hopefully in the beginning of March, smart devices will be introduced to every class" – Madam Mariyam Mohamed (Principal of Ghaazee School).
